BUREAU OF THE MINT,

Washington, D. C., October 28th, 1887.

Sir:

Referring to your communication of the 8th of October enclosing a statement from the Melter and Refiner of your mint in which he gives the weight of the bullion sent the refinery during the year as 680,712.19 gross ounces, according to the twelve monthly reports of the fiscal year, form No 95, the weight of the metal sent the refinery was 721,765.50 gross ounces.

As I wish the figures relating to the operations of your mint to agree with those in the published statements in my annual report I will thank you to inform me which of these two amounts is correct, and by return mail if possible.

Very respectfully,

Director of the Mint.
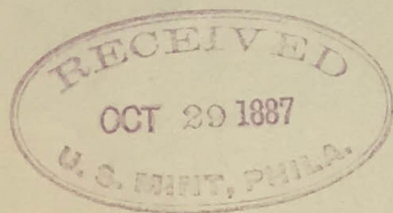

Hon. Daniel M. Fox,
